

Dear Community Partner,

The North Carolina Plus America Pageant (NCPA) allows women age 18 and older, many opportunities to showcase their beauty, talent and intellect. Inspiring women to stand as Queen delegates, by advocating for a charity of their choice, increases their appreciation of their own self-worth, which is truly deserving of a crown. Along with required categories of competition, NCPA Queen delegates are encouraged to compete in optional categories to exhibit their greatest qualities and promote a well-rounded representation of who they are in their community. This local pageant system is a preliminary to the national Miss Plus America Pageant, which broadens her scope as an activist and puts her in connection with organizations that may be useful to impacting their charities across this state and world-wide.

Becoming a Sponsor or Patron of these Queen delegates will not only help them meet their required obligations to compete in both pageants, but will foster a new avenue of imprinting for your organization or business, and make a lasting connection with you and the Queen delegate you choose to support. Because we are a non-profit organization your generous contribution of any amount is tax-deductible, and you will receive a formal acknowledgement of your gift. If you would like to make an in-kind donation please send an invoice to: **1922 S. MLK Jr. Dr., Suite #19, WS NC 27107** noting the value of your donation so that it is properly credited to your business. Below are ways to make your financial donation:
